Rob

Tim would like to propose legislation that would

- 1) Give the commonwealth the right to a jury trial in every criminal case (like the recent change to the SDP law) and
- 2) Provide for judges going on the ballot after 8 years (similar to a California provision)
- 3) get rid of the statute of limitations for manslaughter

The deadline to file is at the end of January so if you could get a draft back to me ASAP that would be helpful. I am around if you want to talk.
